WASHINGTON - January 30, 1979 - The Federal Election Commission notes that there was an error in one of the figures listed in the release of January 24, 1979, entitled "FEC Releases New Interim Summaries of Non-Party Political Committee 1977-78 Financial Activity."

Page 5 of the release lists the top 10 corporate PACs in 4 categories. In the category of "Total contributions to candidates (by dollar amount)," Dartpac is listed as #2, as having contributed \$155,650. The correct amount should be \$104,300, relegating Dartpac to #5 in that listing.
