FEC PUBLISHES 3RD QUARTER NON-FILERS

WASHINGTON -- The Federal Election Commission published today a list of committees authorized by 1980 Senate and House candidates which failed to file the required third quarter financial disclosure reports.

The reports were due October 15th, covering activity from July 1, 1980, (or date of registration, or the close of books of the last report filed if after July 1, 1980,) through September 30, 1980. Committees were notified of their filing requirements in advance of the due date and those which failed to file were again notified October 21st. By close of business October 28; some committees had still not filed.

The 1979 Amendments to the Federal Election Campaign Act specify that the Commission publish only those committees authorized by candidates to raise and spend money on their behalf. Therefore, this list does NOT include other types of political committees which may have been required to file.

In addition, individuals register as candidates only after they have raised or spent in excess of \$5,000. Prior to reaching that threshold, no registration or reporting is required. Therefore, some individuals whose names appear on state ballots may have no filing obligations.

Further Commission action against non-filers and late filers will be decided on a case-by-case basis, depending on the amount of financial activity involved, the percent of vote received and/or the lateness of the report. The Federal Election Campaign Act gives the Commission broad authority to initiate enforcement actions, including civil court enforcement and the imposition of civil penalties (\$5,000 for "any violation" and \$10,000 for any "knowing and willfull" violation) for infractions of the law, including failure to file required disclosure reports.

The following lists the non-filers by state:
