FEC ISSUES SIXTH DETAILED 1984 PRESIDENTIAL REPORT

WASHINGTON — Figures released today by the Federal Election Commission, indicate that by the end of June 1984, 14 Presidential campaigns had raised \$98 million and spent \$88 million. These statistics are contained in a Report on Financial Activity, 1983-1984, Interim Report No. 6, Presidential Pre-Nomination Campaigns.

This Report is the sixth of a series presenting, in detail, the financial activity of all Presidential campaigns which have exceeded \$100,000. The final report will be issued in early 1985, including activity from the start of each campaign through December 31, 1984.

A summary of figures in the FEC study show that:

- * 14 candidates raised \$98 million;
- * Of the total raised, approximately \$57.6 million, or 58.8% came from contributions from individuals;
- * The amount of Federal matching funds received by the candidates through June totalled \$30.9 million or 31.6%;
- * Loans received by the candidates which were still unpaid as of the end of June, totalled \$7.6 million, or 7.8% of the total raised;
- * Contributions from PACs and other committees comprised approximately 1.3% of the total funds raised, or \$1.2 million;
- * While the 14 campaigns in the study spent \$88 million, 11 committees receiving public funds spent a total of \$79.2 million subject to overall limits, including fundraising exemptions.

The FEC Presidential Interim Reports include financial tables and graphs describing the various sources of monies raised by the campaigns. The study delineates the distribution of individual contributions - large

-more-

or small - and distinguishes between the types of PAC money given to each candidate, along with the time periods when the monies were contributed. Additional tables provide information on the spending allocated to individual states by each candidate, and the amount of large individual contributions flowing to the campaigns from each state.

Another table details independent expenditures and communications costs by individuals, PACs, corporations, unions, and delegate committees on behalf of candidates. A final series of charts show the net financial picture of individual campaigns for each reporting period throughout the campaign.

Copies of the full Report are available from the FEC Office of Public Records, 1325 K Street, N.W., Washington, D.C. 20463. Purchase price is \$1. Checks should be made payable to the Federal Election Commission. Questions should be directed to the FEC Press Office, (202) 523-4065, or toll free 800-424-9530.
