\*There are four administrative stages to the FEC enforcement process:  
 1. Receipt of proper complaint  
 2. "Reason to believe" stage  
 3. "Probable cause" stage  
 4. Conciliation stage

It takes the votes of at least four of the six Commissioners to take any action. The FEC can close a case at any point after reviewing a complaint. If a violation is found and conciliation cannot be reached, then the FEC can institute a civil court action against a respondent.
