FEC RELEASES STUDY OF 18-MONTH CONGRESSIONAL ACTIVITY

A study of Congressional campaigns, covering an 18-month period (January 1, 1993 - June 30, 1994), is available at the FEC Press Office, 999 E Street NW, and at all Press galleries.

This detailed study includes race-by-race statistical information, rankings of candidates, and compilations of activity based on political party and candidate type (incumbent, challenger & open seat).
