*There are four administrative stages to the FEC enforcement process:

- | | |
|--------------------------------|---------------------------|
| 1. Receipt of proper complaint | 3. "Probable cause" stage |
| 2. "Reason to believe" stage | 4. Conciliation stage |

It requires the votes of at least four of the six Commissioners to take any action. The FEC can close a case at any point after reviewing a complaint. If a violation is found and conciliation cannot be reached, then the FEC can institute a civil court action against a respondent.
