*Includes proceeds from joint fundraising efforts with Presidential campaigns in 2004 and 2008.

Note that it is not possible to determine precise values for unitemized contributions transferred from joint fundraising committees, but information in filings suggests little if any unitemized contributions in this form.

Unitemized contributions from individuals are those which total \$200 or less in a calendar year from a single person.

The maximum contribution from individuals was changed from \$20,000 per year to \$25,000 per year for the 2004 election cycle and \$26,700 in 2006 and \$28,500 in 2008

This table includes federal or "hard" money only.

**This revised table of Sources of Receipts for National Party Committees Through December of the Election Year corrects the total contribution amount received from individuals in 2008.
