Campaign Guides Available

For each type of committee, a *Campaign Guide* explains, in clear English, the complex regulations regarding the activity of political committees. It shows readers, for example, how to fill out FEC reports and illustrates how the law applies to practical situations.

The FEC publishes four *Campaign Guides*, each for a different type of committee, and we are happy to mail your committee as many copies as you need, free of charge. We encourage you to view them on our web site (go to www.fec.gov, then click on “Campaign Finance Law Resources” and then scroll down to “Publications”).

If you would like to place an order for paper copies of the *Campaign Guides*, please call 800-424-9530, press 1, then 3.

PACronyms, Other PAC Publications Available

The Commission annually publishes *PACronyms*, an alphabetical listing of acronyms, abbreviations and common names of political action committees (PACs).

For each PAC listed, the index provides the full name of the PAC, its city, state, FEC identification number and, if not identifiable from the full name, its connected, sponsoring or affiliated organization.

The index is helpful in identifying PACs that are not readily identified in their reports and statements on file with the FEC.

To order a free copy of *PACronyms*, call the FEC's Disclosure Division at 800/424-9530 (press 3) or 202/694-1120. *PACronyms* also is available on diskette for \$1 and can be accessed free at www.fec.gov/pages/pacronym.htm.

Other PAC indexes, described below, may be ordered from the Disclosure Division. Prepayment is required.

- An alphabetical list of all registered PACs showing each PAC's identification number, address, treasurer and connected organization (\$13.25).
- A list of registered PACs arranged by state providing the same information as above (\$13.25).
- An alphabetical list of organizations sponsoring PACs showing the PAC's name and identification number (\$7.50).

The Disclosure Division can also conduct database research to locate federal political committees when only part of the committee name is known. Call the telephone numbers above for assistance or visit the Public Records Office in Washington at 999 E St., NW.
