Subject: Withdrawal of Agenda Document No. 03-88 (AO 2003-30)

This Office is withdrawing Agenda Document No. 03-88 from consideration at the Commission's meeting scheduled for 10 a.m., November 20, 2003.

The withdrawal is necessitated by a phone call and an email from counsel for the requestors, on November 18, 2003, who has corrected and elaborated upon certain facts presented in the AOR. We are assessing the extent to which this may affect the legal analysis and conclusions in the Agenda Document.
